AgroBusiness in Urban Areas

AGROBUS - NEWSLETTER 03

E-learning Portal - AgroBusiness in Urban areas

We are happy to announce the piloting phase for our e-learning platform for our project **AgroBUS** !

The content of the platform is focused on offering a comprehensive learning course for up-and-coming entrepreneurs, covering **business plans, critical thinking skills, goal setting, branding, ethical marketing, and more!**

You can have an overview of what is needed for a successful entrepreneurial launch !

Check our website [here](#) also our e-learning platform [here](#) !
